

Craven County Water

Meter Replacement Agreement

This agreement made and entered between the Craven County Water Department, A municipal corporation, Party of the First Part, herein referred to as “Department” and _____, whose service address is _____, Party of the second Part, herein referred to as “The Applicant”.

The Applicant agrees to cover the sum of Three Hundred Fifty Dollars (\$350.00) for a new meter replacement, should there be any damages caused to the meter. If the meter should be damaged by any third-party company/person, the customer will be held responsible for the cost and should plan an arrangement with that company/person, for any reimbursements. The Department will then schedule for someone to install a replacement meter.
